

**The Digital LOTO Revolution
is finally here !!**

Presenting

SLOTO -1

Smart. Secure. Simple.

Outdated vs. Digital: The LOTO Evolution

Manual, time-consuming processes
as all users need to go near the lock

Physical key management challenges

Need upto 30 locks for one operation

Locks / Keys go missing easily

Digital, Online Authorisations

Keyless control with audit trails

One lock with 30 user approval

Location tracking and Audit trails.

Enhanced Security & Efficiency

No mechanical keys: Eliminates risks of lost keys, key duplication, lock picking, and bumping, drastically improving security. Digital Tracking allows for efficient Inventory management

Advanced Access Control

Multi-layered access control: Assign, revoke, and track multiple users remotely via web-based/Mobile App, Offers unprecedented flexibility with Instant one-to-one or one-to-many approvals

Economical

Online Approvals eliminates need to travel to apply physical locks by multiple users, Group LOTO can be done with a single lock. Reducing overall lock inventory by upto 50% and time saved by 80%.

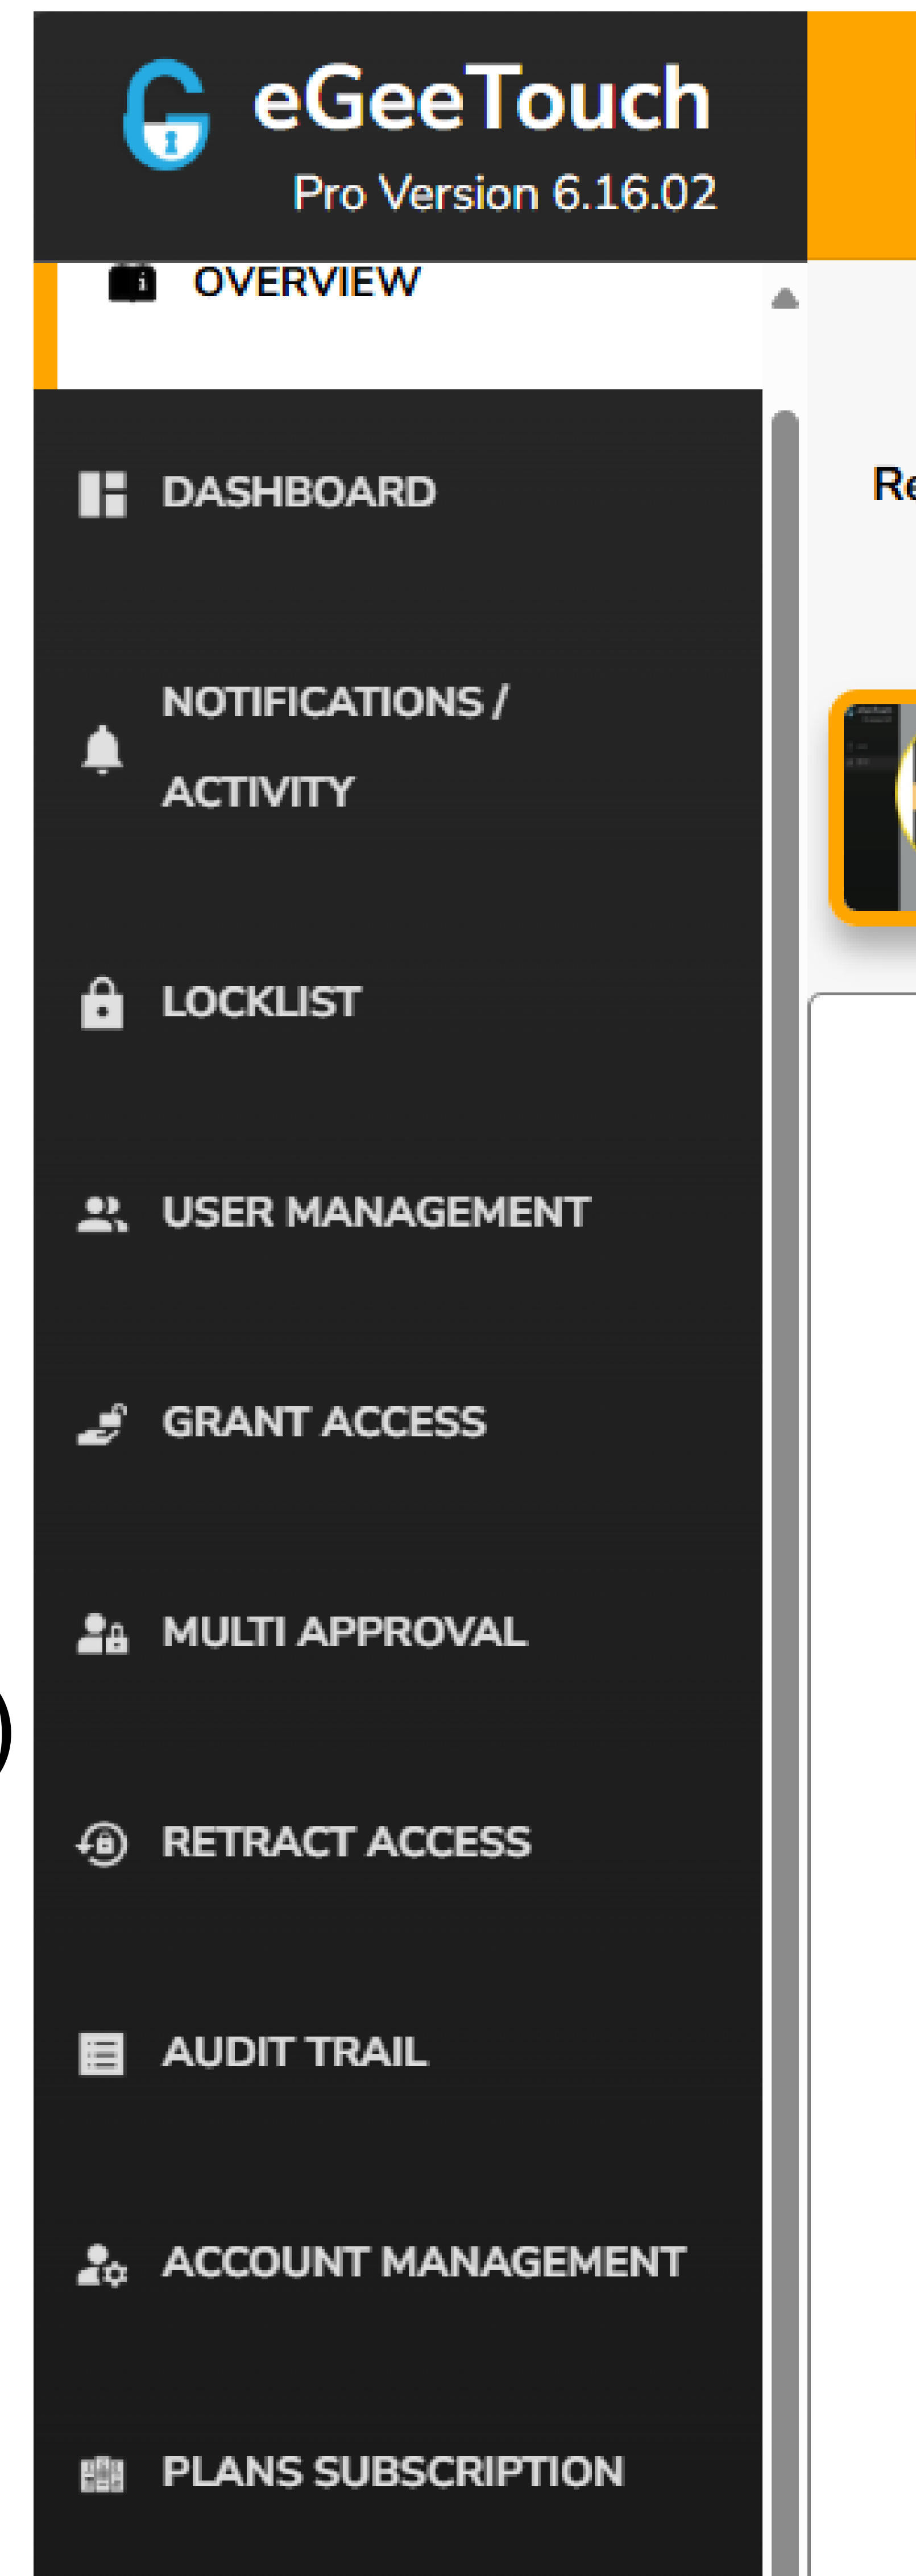

Audit Trail & Traceability

Audit trail & traceability: Provides detailed logs of WHO accessed, WHEN and WHERE — a level of accountability unmatched by traditional locks.

Software Menu

- 🌀 Create account
- 🌀 View Tutorials (Overview)
- 🌀 Add Locks (Individual Lock / Group lock)
- 🌀 Add Users
- 🌀 Grant Access
- 🌀 Retract Access
- 🌀 Multi-Approval (to unlock if this user is marked in multi-approval)
- 🌀 View Audit Trails
- 🌀 Account Management (Change password / Manage Access)

Type of Key Access :

- ⊗ Grant Permission single recipient (Different Key Lock)
- ⊗ Multi- Recipient (Same Key Lock)
- ⊗ Single- Recipient + Multi-Approval (Different Key + Hasp)
- ⊗ Multi-Recipient + Multi-Approval (Same Key + Different key hasp)

- ⊗ Individual Lock
- ⊗ Group of Lock (with same multi-Approval all will be released, and recipient can unlock the lock, no need of multiple approvals for each lock)

Specifications

Specifications :

Size & Weight : 40mm x 28mm x 94mm, 80gram

Shackle Dia 7mm dia

Body Material : ABS (Plastic)

Shackle material : Hardened steel & Rubber

IP rating : IP66

USB: USB Type-C

Battery life: 2 years with 3 operations per day

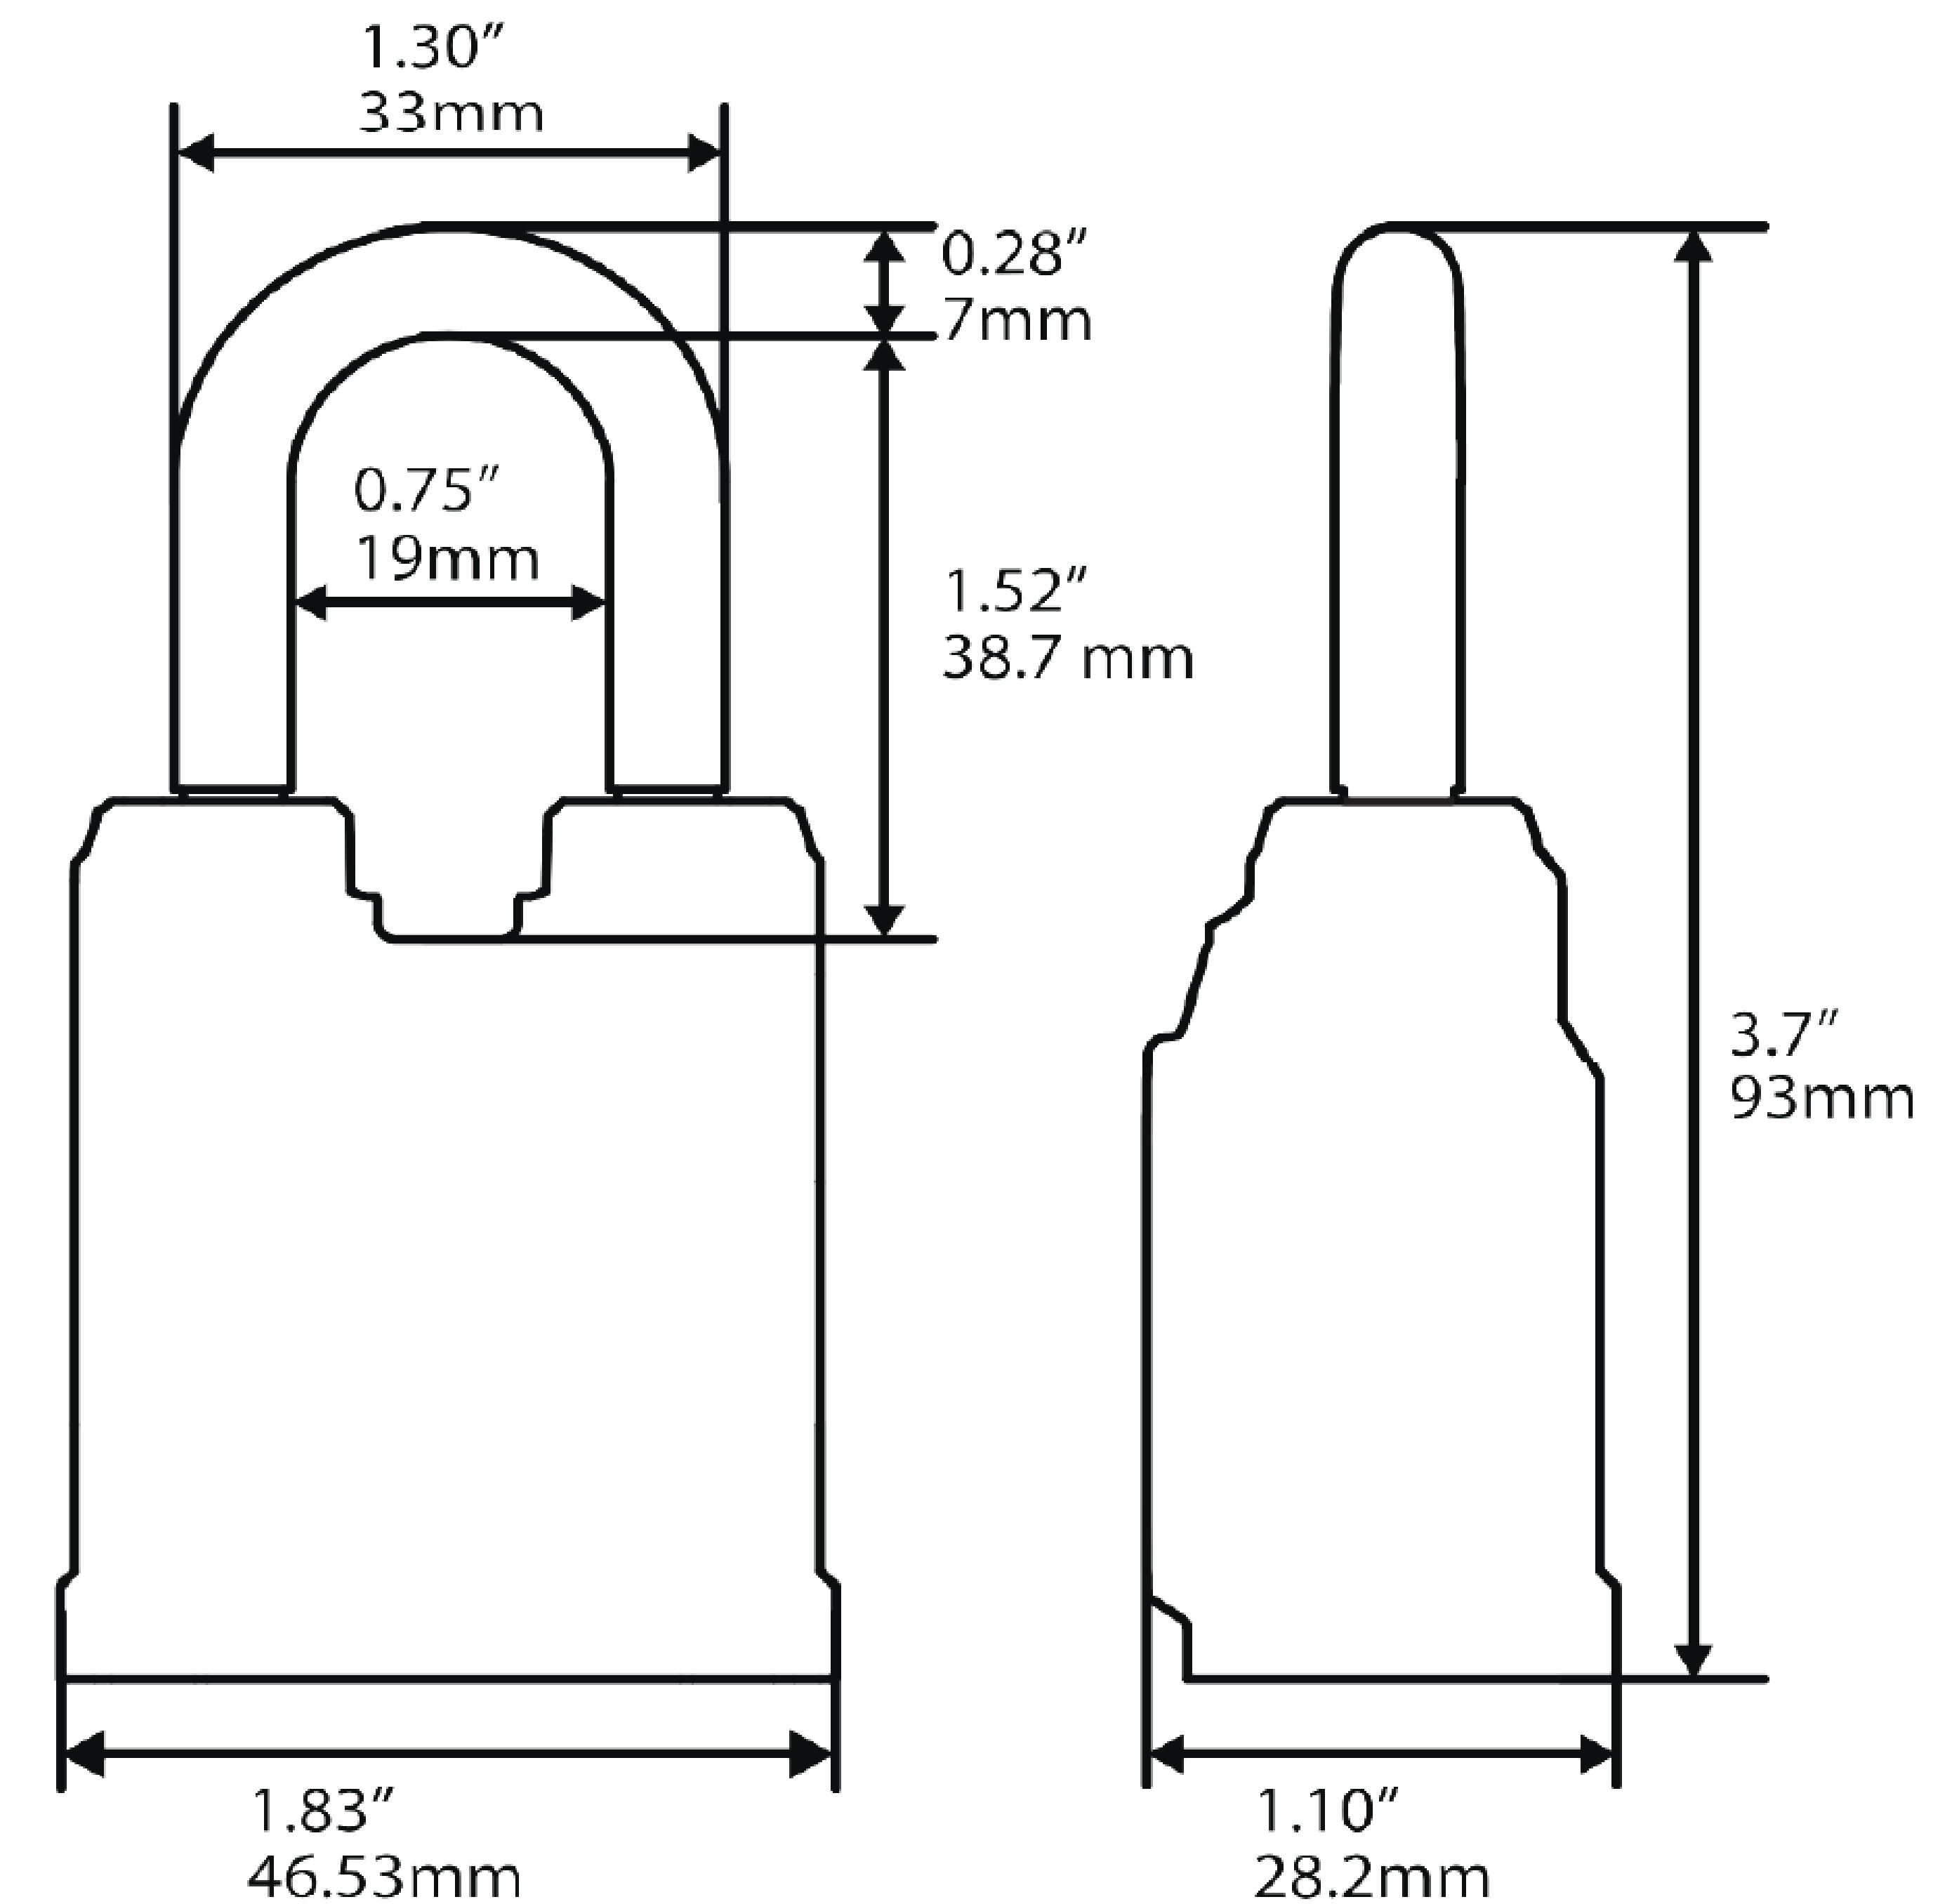

Battery: Rechargeable Lithium ion 2000 cycles

Operating Temp.: -20°C ~ +60°C

Humidity: 20-90% RH

Color : Red

Color LED indication for locking/unlocking status

Package 1 :

Rs. 1,60,000.00

10 Locks (Rs. 9500x 10) + 50 Users 2 Years Subscription (32500 x 2 years)

Package 2 :

Rs. 5,95,000.00

50 locks (Rs. 9500X 50 + 50 Users 2 years subscription (60000X2 YEARS) :

Additional Lock : 9500 /Lock
